LIQUID SKY

*CMB Yachts is proud to present LIQUID SKY,  
which at 47m is the largest GRP Composite motor  
yacht to be built in Turkey to date.*

*Particular attention has been paid to enhance the outdoor living experience.*

*The superb sun deck boasts a large bar and shaded seating area with atmospheric LED lighting.*

*The spacious sunbathing area incorporates sun beds and a spa pool surrounded by relaxation pads.*

*LIQUID SKY has been designed to offer the guests the most luxurious and private yachting experience by dedicating this entire area to the owner's suite.*

*The generously proportioned aft deck has been designed to offer the ultimate al fresco relaxation and lounge experience.*

*This is also complemented by a more relaxed seating area and gives perfect access to the main saloon bar.*

*The remaining guest accommodation comprises two double and two twin cabins all with en suite bathrooms.*
